Dear Sir:

It is respectfully requested that the above-referenced patent be amended as follows:

IN THE CLAIMS:

In claim 1, column 12, line 40, please change "a cap defining including" to --a cap including--.

REMARKS

Upon careful review of issued U.S. Patent No. 7,198,611, the above-listed minor clerical error was noted. In the Response to Office Action dated December 12, 2005, Applicant amended the phrase, "a cap defining a fluid flow passageway" in claim 12 (corresponding to issued claim 1 in U.S. Patent No. 7,198,611) to recite, "a cap defining including threads." Due to a minor clerical error, Applicants did not delete the word "defining" from the above phrase in claim 12. Patentees prepared this request for correction of claim 1 in U.S. Patent No. 7,198,611 to correct this minor clerical error. The mistake is of a clerical nature and of minor character, and occurred in good faith. The correction of this mistake does not constitute new matter and does not make necessary a reexamination of the patent. Further, the requested changes do not change the scope of Patentees' rights granted under this patent.

Patentees are hereby requesting the issuance of a Certificate of Correction pursuant to 37 CFR §1.323. A proposed Certificate of Correction is also submitted herewith.

Please charge Deposit Account No. 02-1818 for any fees due in connection with this request.

Patentees respectfully solicit the granting of the requested Certificate of Correction.

If there are any questions, please telephone the undersigned.

Respectfully submitted,

By:
